Dear Parents/Guardians:

This handbook has been prepared to provide students, parents, and other community members with information about the structure and operation of the Woodbine Elementary School. We welcome you and hope that the information proves to be useful as you go through the school year. Parents may visit the school or come to the office at any time to receive additional information about the school.

In order for the Woodbine School District to operate effectively and to ensure that your child receives the best educational experience possible, certain rules and regulations have been established and must be followed. The Student-Parent Planner has been designed to provide you with important information, which you are strongly encouraged to review and discuss with your child. *Please note that our students and staff are working to improve attendance rates. It is extremely important that your child attend school every day and on time.*

**Arrival to School Time - 8:00 am.**

You will find the 2019-2020 school calendar, complete with school closings, early dismissals and other important dates throughout the year. In our effort to strengthen communications between the school and families, every child will be receiving a Thursday Blue Folder, designed to hold important papers and information. Watch for the folder to come home on Thursday with your child throughout the school year.

To assist working parents/guardians, the Latchkey day care program is available before and following the school day for a nominal fee. The program is available from 7:00am-8:00am and 2:30pm-5:30pm after school. If you are interested in the Latchkey program, please call the front office (861-5174) for pre-registration. Family rates are available for more than one child in attendance.

This year, Woodbine Elementary School is continuing the Positive Behavior Support System (PBSIS) in our district. Working in partnership with families, we will continue to teach students the behaviors and skills that will result in creating a positive learning environment that will increase opportunities for student learning. Please read and review our school code of conduct and the Harassment, Intimidation and Bullying Policy with your child/children.

The information contained in this handbook is also available on our district’s website at https://www.woodbineschool.com At this site; you will find many useful resources, calendars, meeting notices and special events. After reviewing this document with your child, please fill out the last page, detach, and return it to school with your child.

We encourage parents to be active participants in the educational process, both at home and at school. You are encouraged to participate formally, as a member of committees and or informally by volunteering, asking questions and or making suggestions as they arise. Our faculty and staff are always willing to hear and discuss your concerns.

I truly hope that you will find the 2019-2020 school year to be a most rewarding and enriching educational experience for you, your child and those who support our educational community.

Sincerely,
Anthony DeVico
Principal/Superintendent

WOODBINE SCHOOL DISTRICT
MISSION STATEMENT

The Woodbine Elementary School recognizes that each child is a unique individual; possessing talents, abilities, goals and dreams. We further recognize that each child can only be successful when we acknowledge all aspects of that child’s life; addressing their needs, enhancing their intellect, developing character and integrity and uplifting their spirit. Finally, we recognize that individuals learn, grow, and achieve differently, and it is therefore critical that, as a district we provide a diversity of programs based on the New Jersey Student Learning Standards in order to build a foundation that prepares our students for college, the workplace and the community at large.

**STUDENT CODE OF CONDUCT**

Woodbine Elementary School is designed to be a place where the opportunity to learn is provided for every student. Malicious damage to the building, grounds, or materials will be charged to the parents or guardian for payment. Our staff expects our students to use their time wisely to complete all assignments and do their very best at all times. Students must bring necessary materials and a positive attitude to class daily. Gum chewing is not permitted, and disciplinary referrals may be made by any staff member. Breaches of the discipline code that cause general classroom or school disruption will result in disciplinary action.

Our school utilizes the Positive Behavior Support System, to reinforce the following pillars of character:

**CARING:** I will be sensitive to the beliefs, ideas, feelings and experience of others.

**CITIZENSHIP:** I will take pride and be a role model in my country, my town and my school.

**FAIRNESS:** I will treat others equally regardless of their ideas, opinions or moral standards.

**RESPECT:** I will be considerate of the feelings and property of others and treat them without bias of judgment.

**RESPONSIBILITY:** I will act in a mature manner and be prepared for any consequences both positive and negative.

**TRUSTWORTHINESS:** I will be reliable, honest and dependable.

These character traits will be supported by our school wide expectations, which are as follows:

1. Be Respectful
2. Be Responsible
3. Be Positive
4. Be Kind
5. Be Excellent

Faculty members have the responsibility for classroom/pupil management. Please contact teachers first regarding disciplinary concerns. More serious infractions will be referred to administration.

- **Superintendent’s List** – Student who has received all A’s.
- **Honor Roll** – Student who has received all A’s and B’s.

Children in grades PK – 3 will receive general certificates of achievement.

**HARASSMENT, INTIMIDATION AND BULLYING POLICY**

A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation, bullying, or any disruptive, violent behavior will not be tolerated. These types of behavior disrupt a student’s ability to learn. By example, school administrators, faculty, staff, and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying. Harassment, intimidation or bullying means any gesture or written verbal or physical act that takes place on school property, at any school-sponsored function on the school bus as well as to and from school. To review our Bullying policy, go to [http://www.woodbineschool.com](http://www.woodbineschool.com).

A copy of the school’s Bullying policy will be sent home on a quarterly basis and it will be posted at the school entrance.

**USE OF TECHNOLOGY**

The district recognizes that the use of computers and distance learning technologies (including the Internet) offers diverse and unique resources to students and staff members. The operation of the district computer network relies upon, in part, the proper conduct of users-students and staff. Therefore, it is necessary for the students and staff to follow the guidelines of The Technology Acceptable Use Policy. If any user violates this policy, his/her privileges to use the district computers may be limited or suspended. In addition, the user may be subject to other applicable disciplinary measures.

**BUS TRANSPORTATION**

Woodbine Elementary School is a “walking” school district; no courtesy busing is provided during the school year. All parents will be required to arrange necessary transportation to school. The majority of our students walk to school. There are crossing guards to provide additional safety.
AFTER SCHOOL ACTIVITIES

Students, who require help with school work, guidance, or who are staying for after school activities will receive phone communication or written notification sent home in advance. It is the student’s responsibility to see that all communications between parent and teacher are delivered.

ACTIVITIES

There are several after school activities for students at Woodbine Elementary School: Sports Clubs, Student Council, Drama Club, Homework Club, and other events coordinated by the teaching staff.

The Woodbine Borough Recreation Department offers additional activities and sports team.

FIELD TRIPS

Throughout the school year, students have the opportunity to participate in several field trips. Details of each field trip and Trip Permission forms will be provided by the teacher as they are planned.

STUDENT USE OF BICYCLES

The Woodbine Board of Education will permit the use of bicycles by students in accordance with the rules of the district and by the New Jersey State Police School Safety Patrol bicycle safety code. The Board will not be responsible for bicycles which are lost, stolen, or damaged. The following must be adhered to:

* New Jersey State Law requires that Bicycle Helmets must be worn as the student rides to and from school.
  a. Bicycles must be parked in the bicycle rack in the rear of the school.
  b. Bicycles parked in the rack will remain there during the day.
  c. Bicycles are not to be ridden across the playground.

SCHOOL DISMISSAL

Visitors should wait at the appropriate door from which their child will exit. Early Arrival parents should avoid going to his/her child’s classroom while instruction is in session – please wait until full dismissal at 2:30.

PERMISSION TO LEAVE SCHOOL

Permission to leave school early can be granted upon receipt of a written request from parents or guardians. This notice allows the teacher and office to know in advance that the child will be leaving school early. The parent and/or guardian must sign students out in the front office. Students must be picked up by a parent and/or guardian.

If you wish to have someone else pick up your child, you must send a written note to the school office.

* Please be aware that a continued pattern of early dismissal results in a major loss of instructional time and may adversely affect your child’s grades.

STUDENT CELL PHONES

Students are required to hand in their cell phones to the Homeroom teacher at the beginning of the school day. Cell phones will be returned by the Homeroom teacher at the end of the instructional day.

AFFIRMATIVE ACTION

Under the regulations of Title IX and New Jersey Administrative Code 6:4, the Woodbine Board of Education does not discriminate against students or employees on the basis of sex, race, religion, handicapped condition, language spoken, or age.
